# BROCKVILLE CHARTER

## **Holiday Inn Express & ABUC's Scuba**

Accommodations will be at the [Holiday Inn Express & Suites Brockville!](#) Brockville's newest and most modern hotel is located at exit 696 Stewart Blvd, conveniently situated. Relax in air conditioned rooms with new comfy beds and complimentary wi-fi . Or go for a swim at the indoor pool and or work out in the gym. Two people per room and each room has two double beds. Wake up for a full buffet breakfast. Saturday we can start slow with a quick dive at the Rothsey then work our way to Prescott and do a leisurely drift dive through the locks to the Conestoga. Sunday we will board the charter boat in Brockville and do three wreck dives on the Canadian side of the boarder. The actual sites are still TBD (To Be Determined). We do how ever need to be checked out of rooms by 11 am. Let me know if you wish to add an extra night to your stay. Limited to 12 people so book now. Bring your own dive gear or rent some. I have about 5 rental sets and ABUC's has a load more. The temperature is usually quite warm, and I shall be in a shorty the whole weekend. This trip has something for all levels of divers and experience.
