

AUG 25TH TO 27TH, 2017

TOBERMORY

CHARTER

Bruce Anchor Motel and Divers Den -Laura J Charter

Accommodations will be at Bruce Anchor Cottage called the “Myrtle”. Show up Friday afternoon or evening and register at Fathom 5 park office (additional cost of \$20 for seasonal park pass). Do a leisurely shore dive at the tugs. Followed by dinner in one of Tobermory’s fine restaurants. Then relax at the Myrtle where they have a Large living room looking over the Big Tub Harbour. To keep costs down I have arranged a bunk house style of arrangement where you will be sharing a room in the group Cottage, Room for 12 but beds for 8. More than 8 will require two per bed unless you bring a cot. Wake up for a full breakfast at the Cottage or in town, your choice. Then board the boat “Laura J” in the main harbour. The day will consist one advanced dive and two general dives with a lunch back in town. Or we can BBQ sausage on a bun and salads (back at the cottage as it is only around the corner). Diner will be your choice of the fine restaurants or cook something up at the Cottage. Sunday after breakfast we will Dive the "Anchor" right out front of the cottage. This will be guided as some people have not found it before and I hit it every time. In the afternoon you can book an additional charter through one of the dive shops. There are plenty of other activities in Tobermory should you wish to
